# Warranty and After-Sales Support

- **3-Year Warranty:** Your OmniBlend blender is warranted to be free from defects in materials and workmanship, ensuring satisfactory performance for 3 years from the date of purchase.
- **Our Guarantees:**
  1. **Spare Parts Availability:** We guarantee immediate availability of spare parts, regardless of the age of your blender.
  2. **Quick Repairs:** Enjoy a 48-hour turnaround time for repairs, ensuring minimal disruption to your business operations.
  3. **Transparent Repair Costs:** No unexpected charges—only pay for parts, with transparent pricing for repairs outside of warranty.
  4. **Free Labour:** Labour is free for units with serial numbers greater than 50900000. For older units, a fixed R500 labour charge applies. We provide economical long-term maintenance, regardless of the time required, even for units outside of warranty.
- **Comprehensive Coverage:** Our warranty covers parts and labour to resolve any issue within 3 years, excluding collection and/or delivery charges. Book your service request [here](#).
- **DIY Repairs Made Easy:** Access our online video tutorials for basic DIY repairs. We can also send parts overnight to assist you in fixing your blender.
- **Proper Use & Exclusions:** The correct use of your OmniBlend blender is outlined in the Owner's Manuals. Warranty excludes misuse and normal wear & tear expected from extensive commercial use.
